NHPC NEWSLETTER

7 JANUARY 2019

Eric Koffi, NHPC's new Finance Manager

Eric Abinan KOFFI has joined NHPC on 7 January 2019 as Finance Manager.

He has more than 20 years of experience in the field of finance and the energy sector, including 16 years as Chief Financial Officer.

Before joining NHPC, he was since February 2016 the Chief Finance Officer of the Compagnie d'Electricité du Sénégal, a project company for the construction of the Bargny power plant (2x125 MW), based in Senegal.

From 2011 to February 2016, he was seconded by Groupe Globeleq, a subsidiary of Actis/CDC, as Chief Financial Officer to Azito Energy and participated in the project to extend the Azito thermal power plant (from 300MW to 450 MW), based in Abidjan, Côte d'Ivoire.

From 2006 to 2010, he was Chief Financial Officer of ABB for the Francophone West Africa zone including Cameroon, which he cumulated with his position of Chief Financial Officer of Azito Energie (300 MW thermal power plant) for the Groupe ABB and based in Abidjan.

In 2007, he participated in the "ABB Finance and Business Control Program" certification program for senior managers at IMD (International Institute for Management Development) in Switzerland. He is also certified in the various ABB programs in Project Risk Management and Compliance (including SOX standards) for which he was responsible for training for the Francophone West Africa zone including Cameroon from 2007 to 2010.

Previously, he held the positions of Administrative and Financial Director at ABB for Senegal and Mali (2002-2006), Deputy Administrative and

Financial Director and latter Chief Financial Officer of ABB Côte d'Ivoire (1999-2002). He began his career as a financial auditor at Deloitte Côte d'Ivoire (1997-1999).

Mr Eric Abinan KOFFI holds a Diploma in Finance from the Ecole Supérieure de Commerce d'Abidjan (ESCA), 1998 batch.

In 2014, he participated in the PMD (Program for Management Development) of MDE Business School (IHE-Africa) in collaboration with IESE Business School of Barcelona. He is enrolled at Sciences Po Paris in the Executive Master of Energy, Environment and Regulation 2017-2019.

Eric Abinan KOFFI is married and father of 4 children.

"It is with great pleasure that I join this major project for Cameroon and Africa as a whole. The challenge is immense but with the quality of the Project's shareholders and partners, Nachtigal has everything it needs to be a reference for sustainable development in Africa".
